## PERSONAL STATEMENT

I would like to work in a challenging musical environment. I can work both on my own and with a team according to clients' needs. I have good organizational abilities, a deep knowledge of Logic and mixing. I constantly keep up with the latest music libraries and trends. I am available for travel and have good language skills in English and Spanish. I am a well-rounded composer: I am capable of writing and improvising both classical and modern music for different purposes, media and locations.
